I want to welcome our members back to another fun filled 2022 season at our outstanding beaches! We have a lot of things planned and in the works for this season. Kayak racks have been installed at all of our beaches and you will be able to reserve spaces shortly! Repairs at Broadway, which were needed to secure the platform, have been completed. We apologize for any inconvenience during the repairs, and we appreciate your patience.

Please note, we will have security present at our parking lots for your safety during the summer season. Please make sure your parking tag is hanging from your rearview mirror, where it can be easily visible. Parking tags are required to park in our parking lots and on our private roads.

We have some events planned for this season including the Summer Concert Series with member Robb Patterson, Field Day, and Comedy Night to name a few. As we get closer to these events, we will post more details about each of them on our website. Enjoy the start of the season, making lifetime memories with your friends and families!

Sincerely,  
Bob Leonard

# A Trip Down NSB Memory Lane...

**"They call him Flipper, Flipper, faster than lightning..."**

**Many of us watched the beloved "Flipper" series during the 1960s. For those of us who weren't born yet, we caught it when reruns played in the 1980s! Fun fact...A fan favorite character (no, not Flipper!), but Sandy Ricks, played by actor Luke Halpin, used to spend his summers, in the 1960s, in our very own North Shore Beach! He lived on Ficus Road, and used to frequent Nautilus Beach. He even hosted a Luau at his house! Luke Halpin went on to star in other movies, got married, and had two children. In 2012, he was honored at the Film Florida Legends Awards. Luke now resides in Florida, and hope he has nothing but fond memories of our beautiful North Shore Beach!**

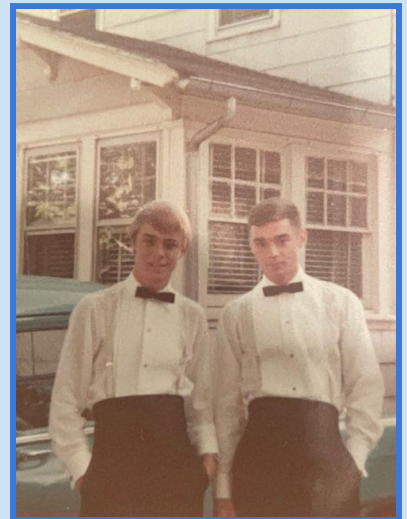

**Thank you to the Lomangino Family for sharing this story and the photos below!**

One of our newer board members, Gene Stith, has been gracious enough to chair our Beautification Committee! Thanks Gene! He has already started adding special touches to the landscape and bath house at Friendship Beach. Take note next time you visit! Gene welcomes any members who would like to join him in his efforts, or has ideas of their own! If this sounds like something you may be interested in being a part of, please contact Gene via email or phone:
